

School Uniform Guidelines

School uniforms must be worn neatly and correctly at all times. Acceptance of enrolment at St Mary's assumes that students will be dressed in the correct school uniform. Thank you for taking the time to read this and ensuring that your child arrives to school in the correct school uniform. Our students demonstrate pride in St Mary's school by the way they wear their uniform correctly. The school reserves the right to ask students to change or adjust aspects of dress and grooming. An infringement letter may be sent home to notify parents of any areas that need to be addressed. Students will be asked to attend to infringements before coming back to school.
